Mr Lee Hsien Loong
Prime Minister
Republic of Singapore

Secretary-General
People's Action Party

Dear Prime Minister

I am writing to inform you of my decision to resign as Cabinet Minister, as Member of Parliament for the West Coast Group Representative Constituency, and as a member of the People's Action Party with immediate effect.

Yesterday, the CPIB charged me with various offences. I reject the allegations in the charges and will now focus on clearing my name.

Given the circumstances, I feel it is right for me to resign from Cabinet, as a Member of Parliament and as a member of the PAP.

Thank you for the privilege and honour of serving my constituents and the people of Singapore.

Yours sincerely

Mr Lee Hsien Loong
Prime Minister
Republic of Singapore

Dear Prime Minister

I refer to my letter of resignation dated 16 January 2024.

Further to that letter, I am writing to inform you that although I have not been asked to do so, I will be returning all monies that I received by way of salary as Minister and allowances as Member of Parliament from the commencement of the CPIB's investigations in July 2023.

I am doing this even though I reject the charges and am innocent. My family and I have decided to return the monies because we cannot in all good conscience benefit from them when I was unable, on account of the investigations, to discharge my duties as a Minister and Member of Parliament.

This is also the right thing to do for Singapore and is in keeping with the Government's high standards of integrity.

So that there is no doubt, I will not be seeking the return of these monies if, as I strongly believe, I am acquitted.

Yours sincerely

S Iswaran
